In 2001 I left the corporate world to move full-time into the horse business, managing the Mainstone/Stone Creek training facility in Norfolk, MA. Formerly a project manager for Telecommunications Company, switching to the horse business was a big change and a chance to live my dream of riding and teaching full time.

A regular competitor at many recognized USDF events with 2 or 3 horses though out the season has proved to be a wonderful way to spend my time. Halston, Pongo and Worth Waiting For are the horses in regular competition currently.

A rider since 1983, I began in the hunter/jumper/equitation world before switching over to focus on dressage seven years ago. A riding instructor since 1997, I am licensed in Massachusetts, certified with the American Riding Instructor's Association and am a Centered Riding Instructor – Level I. The 2007 show season has been quite a successful year, receiving my USDF Bronze Medal and half way to receiving my USDF Silver Medal.

My dressage training experience includes extensive work with Lainey Johnson, Bill Warren, Melanie Tenney and Michael Poulin. In addition, I have had the privilege of riding in clinics with Jennifer Baumert, Beth Baumert, Gunnar Ostergaard, Chris Hickey and Margaret Freeman.
